

Name: _____

Blk: _____ Date: _____

Graphic Novel Lit Circles: Text v. Images Exercise

Later that morning, the Breakfast Bunch start their day...

Hector: What do you suppose she does? You know, when she's not a lunch lady?

Dee: I've never really thought about it before.

Terrence: Maybe she has a family to take care of.

Dee: I'll bet she has like a hundred cats!

Hector: Maybe she's some sort of super secret-agent spy or something...

Lunch Lady: Hey, Hector. Hey, Dee. Hey, Terrence. Big day today... Chicken patty pizza for lunch!

Dee: She definitely has a lot of cats!

Hector: Uh-oh...h-h-here c-c-comes...Milmo.

Milmo: Hey, look! It's the Breakfast Bunch! More like the DOOFUS Bunch!

Milmo: Where's my lunch money, Hector?

Student Reflection

Having completed your assignment, and then paired up with another student who had the opposite task, compare your work.

- 1) Identify two context clues that you extracted from the script and used to complete your task (sketching the characters and setting)

Context Clue #1: _____

How you used it: _____

Context Clue #2: _____

How you used it: _____

- 2) Compare your sketches to the original; what do you notice?

Similarities: _____

Differences: _____
